13. CHAMPAGNE WALLS

The collage features three distinct champagne wall setups. The top image displays a wall entirely covered in small, iridescent, square tiles that create a shimmering, mosaic effect. The middle image shows a champagne wall made of a dense green boxwood hedge with a glowing 'Cheers' sign at the top and several rows of champagne glasses hanging from it. The bottom image shows a black wooden champagne wall with a 'Cheers!' sign, a large red star balloon, a pink heart-shaped balloon that says 'Happy Birthday', and a bottle of champagne at the base.
